

VENETIAN® 6X6|9 60MM

PRODUCT NUMBER # 258

- Riven stone surfaces and chamfer-less edges create the striking shadow lines and textures of dimensioned flagstone
- Light vehicular applications
- Made of durable concrete with iron oxide pigments which helps prevent fading from extended UV exposure.

The Venetian series creates dramatic and dynamic interaction with sunlight through its cleft and chamfer-less surfaces, which evoke the timeless appeal of cut flagstone. Venetian is available in an extensive range of paver sizes and heights to suit a variety of traffic conditions and base preparations. Many Venetian shapes are suitable for Rumbling, which weathers the paver stones by breaking and softening edges and corners.
