

MODEL #DS-23566

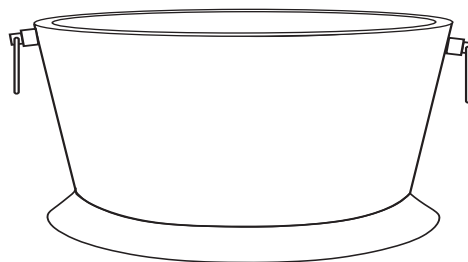

Use and Care Guide

DOUBLE WALL BEVERAGE TUB

Operation

1 Using the Beverage Tub

- Always Place the tub on a hard, level surface.
- Beverage Tub is made of Stainless Steel and is a double wall insulated product.
- When using the tub to hold beverages, fill the tub with ice to keep the beverage cold.
- This tub will hold a large load of your favorite beverage and keep them cold for hours to get you through even the best tailgate.
- The double wall construction will assure you that there will be no condensation to leak all over your tailgate or table.

Safety Information

WARNING: Do not use this tub for fires.
This product is not designed to handle fire.

WARNING: Do not leave unattended around children when the bin is full of ice or water.

WARNING: Do not drink directly from the bin as it is not food or beverage safe.

Care and Cleaning

Wipe the bin with a soft cloth and mild soap and water after each use. Do not use a pressure washer to clean. Dry immediately with a soft cloth.

Warranty

This product carries no warranty.
