

Classic Spruce Tree

Make a statement with this Classic Spruce artificial tree from Fraser Hill Farm. Sitting on a modern tripod stand, this rustic tree will fit perfectly with your modern industrial decor.

Featuring lifelike branches and foliage, this unique tree is specially crafted using the finest materials to look realistic and provide you with many seasons of use and enjoyment. The tree needles are constructed out of non-allergenic and flame-retardant materials then painted multiple hues of green so no two are exactly alike. The tree trunk easily fits into the base opening and stays firmly in place with sturdy thumb screws.

Together these details create the look of a natural tree that requires no maintenance. Use this tree as an alternative Christmas tree and decorate with lights and ornaments, or keep it up year round as a funky accent piece.

- Imagine never having to shop, chop, water, and clean up another natural tree again
- Sturdy tripod base opens for quick setup and folds for convenient storage
- Simple assembly - Tree trunk fits easily into tripod base
- 1 year limited warranty
