All installation outside of these parameters shall void this Limited Warranty. This Limited Warranty is not transferable and only applies to the original end-user (“Customer”) of the Product. This Limited Warranty does not apply to Product that has been sold or resold as “seconds”, “mill-run”, “off goods”, “non-conforming”, “as is”, “closeouts” or otherwise denoted as irregular, non-first or non-standard quality.

The Manufacturer’s liability and Customer’s exclusive remedy under this Limited Warranty is limited to the replacement or refund of the defective Product and, only if without visible and obvious (> 0.5-inch) defects will the Manufacturer include reasonable labor costs for the geographic region. This Limited Warranty does not include other costs associated with installation or removal of the defective Product or installation of the replacement Product including, but not limited to, lost time, furniture removal and/or overtime pay. Only one replacement floor or refund shall be made. A Customer who received a settlement may not make another claim - no additional replacement floors or refund will be supplied.

If the Manufacturer no longer provides the particular Product subject to this Limited Warranty, Manufacturer reserves the right to substitute another Product that Manufacturer deems to be comparable or superior in its place. Manufacturer’s responsibility to replace defective Product under this Limited Warranty applies only to the affected area of Product so long as a suitable match (as determined and at the sole discretion of Manufacturer) can be supplied. Full replacement or replacement of a greater area than the affected area is at the sole discretion of Manufacturer. Manufacturer reserves the right to provide replacement materials directly to the Customaer, or through a professional installation company of the Manufacturer’s choice, to conduct repairs or replace materials in a manner suitable to the Manufacturer’s interests.

This Limited Warranty is specific to the Product which shall be installed, used, maintained and cared for in accordance with the Product documentation, which may be obtained at www.lowes.com or are available upon request by contacting techsupport@novalis-intl.com or 1-888-509-3438.

3. Warranty Exclusion:

This Limited Warranty does not apply to nor cover nonconformities that are caused by, result from or arise in connection with any of the following conditions:

3.1. **Non-Compliance with applicable Product requirements and technical data.** Any Product that has been subjected to site conditions, substrate conditions, installation methods, maintenance procedures and/or conditions of use that are not in strict conformity with the associated Technical Data Sheets, Installation Instructions, Maintenance Documents and any other relevant technical documents.

3.2. **Non-Compliance with applicable industry guidelines.** Substrate preparation must be performed in accordance with all related ACI, ASTM, NWFA and RFCI guidelines.

3.3. Installation of Product with any third-party adhesive not explicitly recommended or approved by Novalis Innovative Flooring The use of unapproved adhesives excludes any warranty coverage of adhesive performance is-sues, including but not limited to bond strength, shrinkage, expansion, peaking, ledging, curling, doming and/or the ability of the adhesive to control the dimensional stability of the floor covering. This also excludes any associated material and labor costs associated with third-party adhesives.

3.4. Installation of Product with unapproved installation materials, methods or tools, including but not limited to the recommended underlayment type, repair products and all accessories.

3.5. Cracking, warping, delamination, curling, or other phenomena caused by excessive heat sources, such as prolonged direct sunlight, radiators, self-cleaning ovens and high-heat equipment.

3.6. Fading or discoloration of the surface due to excessive UV/IR exposure.

3.7. Stains from tracked carpet dyes, fertilizers, coal, tar, driveway sealers, oil, permanent markers, or other such contaminates.

3.8. Substrate failure, movement or imperfections, including improper flatness, smoothness or damage.

3.9. Hazing or finish-related issues caused by the grout and or residue when used with the Product.

3.10. Heavy static loads (>1,500 lbs.) and heavy point loads, such as foot traffic with stiletto heels, spikes or skates, dropped items, improper floor protectors and furniture feet/rests or floor protection and furniture feet/rests that do not make adequate flat contact with the floor covering.

3.11. Heavy rolling loads (> 1,500 PSI) with metal wheels, hard H-type wheels or any other wheel types that do not make adequate, flat contact with the floor covering.

3.12. Damage caused by mechanical issues, intentional abuse, misuse, negligence, structural damage, seismic activity, flooding, fires, and other emergencies, natural disasters or any circumstances beyond the reasonable control of the Seller.

3.13. Damage or excessive wear caused by improper maintenance dirt, grit, and abrasive debris from not using appropriate walk-off mats at all outdoor entrances.

4. Slip Resistance Warning:

Walking is a complex activity, and slip resistance is affected by numerous factors, including the floor covering and its surface condition, contaminants, footwear, and the walker's weight, age, gait, physical condition, awareness, and vision. Published requirements specify a Static Coefficient of Friction (SCOF) of ≥ 0.5 for new flooring, and independent test results are available confirming compliance. However, this does not establish slip resistance or safety under all conditions, nor the suitability of any test method, threshold, or measuring device. There are no generally applicable Dynamic Coefficient of Friction (DCOF) requirements for resilient flooring, although such requirements may apply to other flooring types. Because many factors affecting slip resistance, including maintenance and conditions of use, are outside the Manufacturer's control, no warranty for slip-resistance performance is provided.

5. Warranty Claims:

If, within the applicable warranty period identified in Article 2.1 and 2.2, the Customer discovers any problems or defects

in the Product that may be covered by this Limited Warranty, the Customer must notify the distributor or the Manufacturer directly at 1-888-509-3438 (option 2) or claims@novalis-intl.com. All claims must be reported within thirty (30) days of discovery of the problem or defect.

All claims must include a completed claim form, along with any associated photos, invoices, pre-installation testing reports and all independent inspection reports conducted after problems or defects are observed or suspected. Attic stock may be required to verify the validity of product claims. Failure to provide attic stock could lead to product claims being declined, especially in the event that third-party products, such as but not limited to adhesives, accessories and underlayments, are used in conjunction with The Product.

If Manufacturer determines that the Product is covered by this Limited Warranty, then Manufacturer shall, at its sole option, replace the nonconforming Product or refund the appropriate percentage of the purchase price and labor cost paid for each defective Product for the affected area, per the associated pro-rated schedule. No warranty claims will be processed if received more than thirty (30) days after the applicable warranty period has ended.

Manufacturer or its designated representative shall have the right to examine the Product and the flooring, including the right to test the flooring and/or substrate at the installation site, with respect to any Product that is the subject of a warranty claim. Any removal of installed Product prior to such examination will void any and all warranties. Manufacturer may require additional testing or verification of any tests conducted or obtained by the Customer.

6. Warranty Disclaimer:

The warranties set forth herein are exclusive and in lieu of all other warranties or representations, express or implied, arising by law or custom, including the implied warranties of merchantability and fitness for a particular purpose. No agent, sales representative, dealer, distributor, contractor, installer, architect or designer has the authority to increase or alter seller's obligations under this warranty. This Limited Warranty does give you specific legal rights; you may also have other rights, which may vary from state to state.

7. Limitation of Liability:

The aggregate cumulative total liability of Manufacturer hereunder, whether for breach of warranty or contract, indemnification, tort (including negligence), or otherwise, shall not exceed the original purchase price of the nonconforming Product. Manufacturer assumes no liability for labor costs in the installation or replacement of any Product with visible and obvious (> 0.5-inch) defects. In no event shall Manufacturer be liable to Customer or any other person for loss of revenue, profit or any consequential, incidental, exemplary or punitive damages directly or indirectly arising from the use of the Product, from breach of any warranty or from any other cause, whether or not Manufacturer has been informed of the possibility of such damages.
