

Recessed Wall Mount Electric Fireplaces With Multi-Color LED Displays

FIREPLACE FEATURES

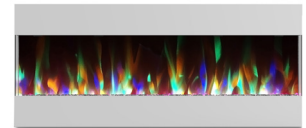

- Offered in 42", 50", and 60" displays
- Driftwood log or crystal rock display options
- Dual heat settings
- Automatic thermal safety switch
- CSA certified

Treat yourself to an evening by the fire with Cambridge electric fireplaces. Stunning displays of flames will light up the room in an instant, creating a warm setting in your home. These fireplaces can be installed right into the wall, saving the smallest of rooms much needed floor space.

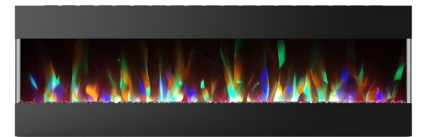

The display is made up of 10 LED colors in along with 10 flame effects. These flames can be set to display your favorite color or transition through all colors continuously. Adjustable brightness settings are the most convenient as you go from day to night. Simply pick up the remote control provided and choose your most comfortable setting. A Cambridge fireplace will look like an elegant work of art on your wall. What sets it apart is that it can also make you feel warm and comfortable at home.
