

ASSEMBLY INSTRUCTIONS

CAUTION

◆ Inspect the wire insulation for any cuts, abrasions, or exposed copper that may have resulted during shipping. If there is a defect in the wire, do not attempt installation.

◆ Before starting installation of this fixture or removal of a previous fixture, disconnect the power by turning off the circuit breaker or by removing the fuse at the fuse box.

EXPLODED PARTS

INSTALLATION

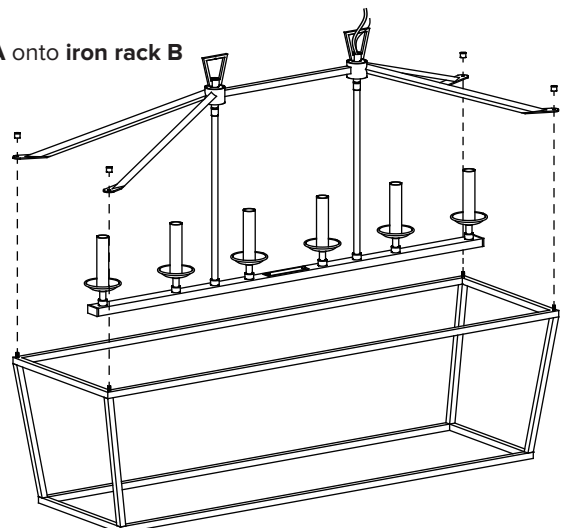

STEP 1

1. Attach the **stems** onto **fixture**.
2. Attach the **iron rack A** onto **stems** using **fixture finial**.

STEP 2

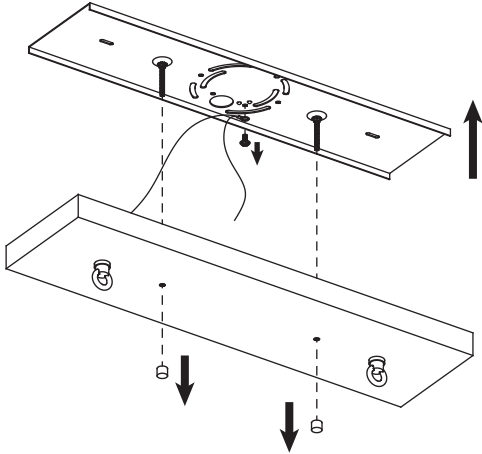

- Attach the **iron rack A** onto **iron rack B** using **ball nuts**

ASSEMBLY INSTRUCTIONS (INSTALLATION)

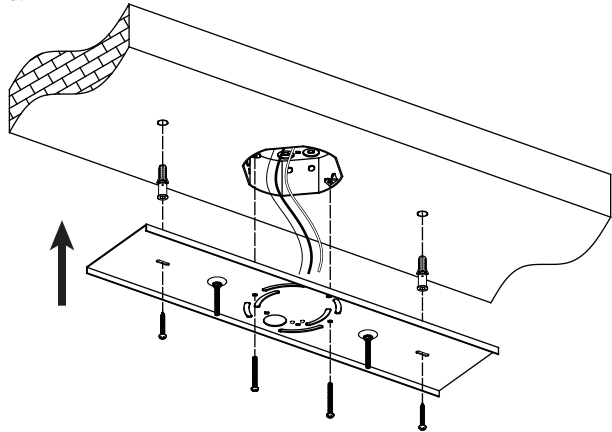

STEP 3

Unscrew the **ball nuts** and **green grounding screw** from the **mounting unit**.

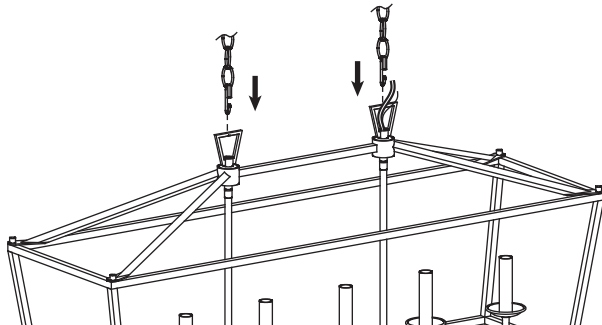

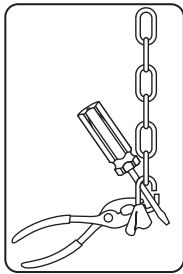

STEP 4

Attach the **mounting unit** to the junction box (not included) using the **mounting screws**. Secure **mounting unit** to ceiling with **wood screws** and **wall anchors**.

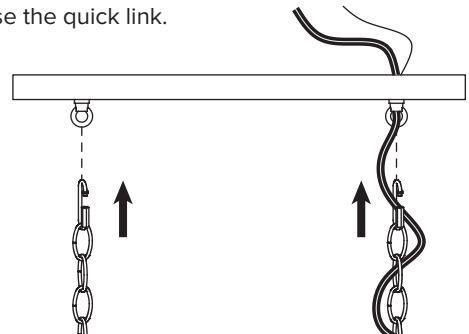

STEP 5

1. Choose the length of the **chain** you need (Open the chain using a phillips screwdriver (not included) and pliers (not included).)
2. Open the quick link. Then attach it to the **fixture finial**. Close the quick link.

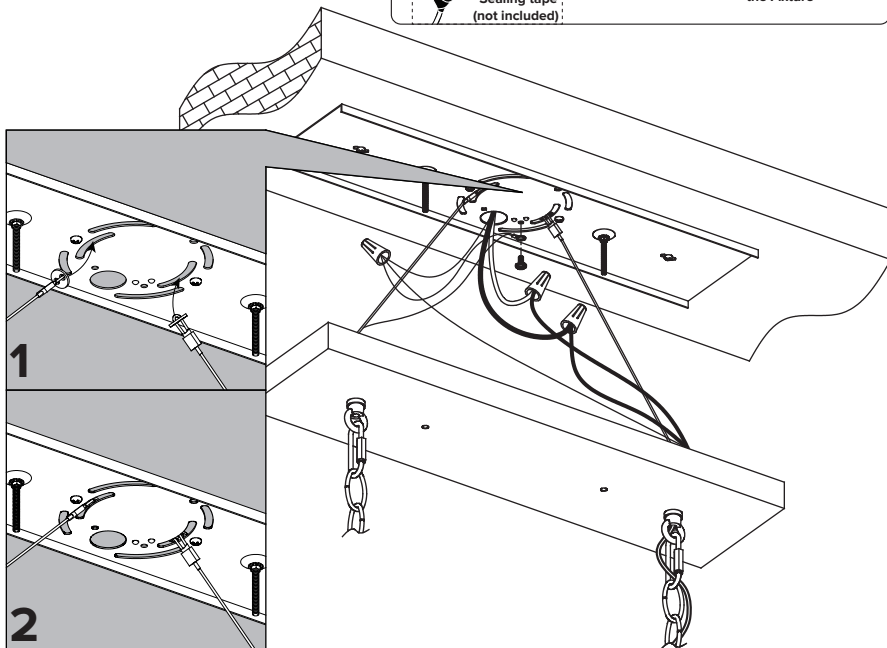

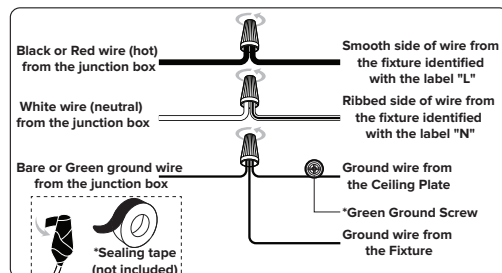

STEP 6

1. Weave the fixture wire and the fixture ground wire through the **chain** and **ceiling plate**.
2. Open the quick link. Then attach it to the **ceiling plate**. Close the quick link.

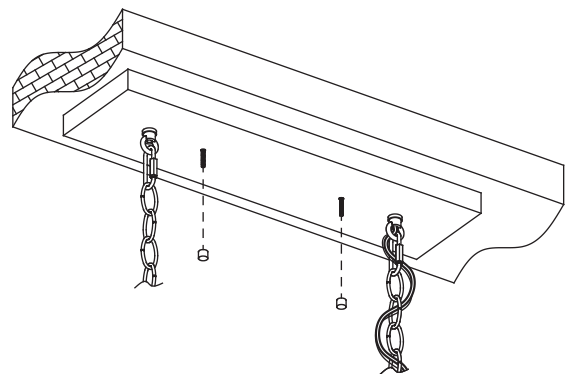

STEP 7

1. Attach the lanyards on to the mounting unit.
2. Make the electrical connection from the junction box (not included) to the **fixture**. Connect the **ground wire** to the **mounting unit** using the preinstalled green ground screw. Next, connect the positive, negative and ground wires with the supplied **wire nuts**. Secure with electrical tape.

STEP 8

Attach the **ceiling plate** to the **mounting unit** through screw holes as shown, and secure it with **ball nuts**.

STEP 9

Install bulbs (not included).
