Installation instructions:

1

please confirm that the voltage matches the product, and turn off the power at the installation location to ensure safety.

2

Securely attach the mounting plate to the ceiling.

3

Connect the lamp driver input to the power source correctly and securely.

4

Rotate the lamp body to align the screws on the mounting plate with the holes on the leftmost hub.

5

Tighten the four screws on the mounting plate to ensure the fixture is securely installed.

6

Turn on the power switch.
