HALO

6" Spin Light

A modern 6" flush mount LED ceiling light that screws directly into medium based sockets replacing 100-watt bulbs.

Our HALO 6" Integrated LED Flush Mount Spin Light replaces outdated incandescent bulbs with a crystal-clear, energy-efficient LED fixture. Easily screw it into most existing plastic and porcelain lamp holders without any wiring required. Choose from five field-selectable color temperature options: 2700K, 3000K, 3500K, 4000K, and 5000K. Emitting 1600 lumens using only 22 watts, it's perfect for closets, bathrooms, and more. Plus, it's durable, maintenance-free, and suitable for damp locations.

Typical Applications

Residential • Hospitality • Retail • Single Family • Multi Family
