LIMITED GROWTH & FLOWERING GUARANTEE

Garden State Bulb Co. (GSB) products have been grown with the utmost care and are of excellent quality. In order to obtain the desired end result, it is important that the instructions on our site and/or the accompanying (plant) instructions are followed. Given that we work with a natural product; we offer a 1 Year Limited Growth and Flowering Guarantee.

Garden State Bulb's obligation under this Guarantee is limited to troubleshooting, replacing the product, missing pieces or providing a gift certificate at Garden State Bulb's discretion. All products for which a Guarantee claim is made must be received by GSB and accompanied by sufficient proof of purchase (emailed or original physical store receipt, indicating the date of purchase).

This Guarantee does NOT cover improper handling, storing, weathering, failure to follow directions, improper care, improper maintenance, or acts of nature, (such as damage caused by wind, lightning, snow, water, or ice), or damage caused by improper use of the products are not covered by the product warranty. No other guarantee beyond that specifically set forth above is authorized by Garden State Bulb Co.

PLANTING & CARE INSTRUCTIONS

PLANTING TIME Spring

LIGHT 4-6 Hours of Sunlight

DEPTH Lightly press into soil

BENEFITS Fresh Herbs

TIPS: Seeds can be started indoors or outdoors after danger of frost.

Plant as soon as possible after purchase.

Store in a cool, dry place until ready to plant.

Place the planter on a small plate or saucer to protect surfaces from scratching and/or staining.

Planting Instructions

- 1 Fill each planter with the growing medium included in the kit.
- 2 Carefully open the seed packets and sprinkle the seeds evenly over the surface of the growing medium.
- 3 Lightly press the seeds into the surface of the growing medium, do not bury.
- 4 Gently water the seeds to moisten. Keep the growing medium moist, not wet.
- 5 Do not over water, to avoid rotting, or allow the growing medium to completely dry out.
- 6 Place in a warm and sunny location, protected from frost. For best results, rotate the planter often so all sides receive equal sunlight.
- 7 Spearmint seeds germinate in approximately 10-15 days and are ready to harvest approximately 90 days after planting.
- 8 Lavender seeds can sometimes take up to 30 days to germinate, but in most cases it's 7-14 days.

About Herb Seed Kits

Garden State Bulb Herb Garden Kits make it easy to grow your favorite herbs indoors or outdoors with stylish metal planters. The seeds included in the kit are 100% non-GMO and sourced from our farms and growers in the US. An attractive addition to any home or kitchen, this herb garden kit contains everything you need to grow mint and lavender right in your own kitchen. Includes 2 metal style planters, 2 planting soil packs, instructions and 2 non-GMO mint & lavender seed packs in seed-safe pouches to ensure proper germination.

FREQUENTLY ASKED QUESTIONS

Q. Where is the best location to plant herbs indoors?

A. Choose a sunny spot near a window that gets 4 to 6 hours of sunlight.

Q. How often should you water indoor herb plants?

A. Herbs do not like standing water. Only water when soil feels dry to the touch.

Q. What temperature do herbs grow well indoors?

A. Herbs grown well in indoor temperatures of 65 to 70°F.
