- **LED DIMMER AND REMOTE INCLUDED:** fully relax under these LED string lights knowing you can dim and turn on/off these patio lights with the click of a button!
- **ENERGY EFFICIENT WEATHERPROOF LIGHTS** - Connect up to 5 strands end to end, then customize arrangements from tree to tree or in a cluster thanks to the ample distance between the high efficiency Edison bulbs. Convenient loop on each socket allows for easy installation using eye hooks, zip ties, or 16-gauge guide wire (1/8 or 3mm diameter available at home improvement/hardware stores). To keep multiple strands together across a long distance, use electrical tape to secure the plug connections.
- **WEATHERPROOF:** Our string lights are guaranteed to last through any weather condition. Rain, wind or snow, our string lights are built with durability in mind and are even shatterproof as well.
- **EASY INSTALLATION:** Installation is a breeze and is done in a matter of minutes. Simply use cup hooks, guide wires or zip ties with the built-in loops to hang perfectly in your outdoor environment. Designed for indoor or outdoor temporary installation.
