Assembly Instruction

LGR246AQ/LGR247AQ

General Guidelines

- Please read the following instructions carefully and use the product accordingly.
- Please keep this manual and hand it over when you transfer the product.
- This summary may not include every detail of all variations and considered steps. Please contact us if further information or assistance is needed.

Notes

- The product is intended for indoor use only. It must be assembled and used in accordance with the provisions of the manual. Personal injury and/or damage to the product may occur if the product is used outside of its intended purpose and/or if it has been changed/modified from its original design. The seller does not assume any responsibility or liability for injury or damage caused by incorrect assembly or improper use.
- Avoid long-term exposure to humid environments to prevent mildew.
- Keep the product away from fire sources and high temperatures. Do not expose the product to direct sunlight.
- Do not place any hot objects on the surface of the product.
- If there are any defective or missing parts after unpacking, please cease assembly immediately and contact us.
- Assemble the item on a spacious surface and avoid placing the unwrapped product directly on the ground to prevent damage.
- Do not stand or sit on the wooden boards.
- Wear gloves during the assembly and/or disassembly process to avoid scratches from any sharp edges.
- Match each part and fitting based on the part number in the manual.
- If a part does not match the fitting, please check the manual for clarification.
- During assembly, first loosely align all screws with the corresponding pre-drilled holes, then tighten them one by one.
- Periodically inspect the screw tightness while the product is in use. Retighten if necessary to ensure structural integrity.
- If you accidentally spill water or any other liquid on the surface, immediately wipe it clean with a dry towel.
- Keep the product away from sharp, pointed objects and corrosive substances to prevent damage.
- Place the item on level, solid ground during use.

Warnings

- During assembly, keep all small parts out of the reach of children, as they may be fatal if swallowed or inhaled.
- Children should not climb or play on the product to avoid tipping over and causing serious injury.
- To avoid the potential danger of suffocation, keep all packaging materials (film, plastic bags, foam, etc.) away from babies and children.
- Do not shake or move the product violently during use to avoid tipping over.
