

Tame the Great Outdoors®

24 in. Electric Start RWD 3-in-1 Mower

Self-propelled / SELECT PACE 6 Speed CVT

YG4761

Effortlessly Transform Your Lawn with YARDMAX – Power, Precision, and Convenience at Your Fingertips!

Experience ultimate convenience with the YARDMAX 24" Electric Start Self-Propelled Lawn Mower, designed for effortless lawn care. Say goodbye to pull cords and enjoy stress-free mowing with advanced electric start technology. This versatile mower features mulching, rear discharge, and rear bagging options for easy grass clippings disposal. Powered by a robust 201cc OHV engine and equipped with an industry-leading continuously variable transmission (CVT), it delivers exceptional performance and speed variability, adapting seamlessly to your pace. With double ball bearing wheels, maneuverability and traction are enhanced for a flawless cut every season. Transform your yardwork into a reliable and effortless task with YARDMAX!

FEATURES & BENEFITS

- Electric Start simplifies the starting process, making your gardening tasks more efficient and stress-free.
- Exclusive and industry-leading CVT (continuously variable transmission) offers superior speed variability to adjust the mower's pace to match your walking speed by simply selecting the 6-speed shift lever.
- Starting made easier with the automatic choke system, no need to prime or choke the engine.
- Easily clean the underside of the cutting deck with the deck cleanout port.
- Single-lever deck adjustment for quickly setting your mow height.
- To quickly set your mowing height with seven options ranging from 1.57" to 3.74".
- Double ball bearing wheels for an easy and smooth rolling and an extended durability.
- MAXFlow™ Deck Technology – features a volute spiral deck design for better airflow and mulching performance.
- Heavy-duty, 16-gauge stamped steel deck.
- Durable, one-piece seamless steel deck reduces vibration for a smoother mowing experience.
- Large rear bag capacity. Reduces the frequency of emptying during use.
- Space saver, the entire mower can be compactly folded for storage in limited garage spaces.
- Choose rear discharge, mulching, or rear bagging.
- 8" front & 11" rear wheels provide stability and control.
- Adjustable Handle Height: Features a durable 3-position handle for comfortable operation.
- Fully assembled, Ready for immediate use right out of the box.
