VER. 090123

## GENERAL INFORMATION

### IMPORTANT

- Check the inside of the larger pieces in your box for other materials packed inside.
- We recommend an area approximately 5'x 8' for unobstructed assembling.
- You should not need to use excessive force when assembling components.

## MISSING OR DAMAGED PARTS?

(Only available in the continental US and Canada)

### VISIT OUR WEBSITE FIRST, SO WE CAN HELP YOU RIGHT AWAY!

Although great care has been taken to ensure proper packaging and handling of this product, occasionally problems occur. If you discover any missing, damaged, or defective parts, please visit our website to order replacement parts. If you experience any further trouble with your product, please contact our customer service department.
