If you have any questions, please feel free to contact us through the order page.

Warning!

1.Installation should be performed by a professional.
2.To prevent electric shock, please turn off the power before installing, repairing, or cleaning the light fixture.
3.This light fixture operates within a 110V to 265V range only.
4.Do not install the light fixture in damp conditions.
5.Keep the light fixture away from acidic and corrosive materials.
6. Due to creasing from packaging, the suspension wires of the pendant light require two weeks to gradually straighten after installation.

Package Contents:

Wiring:

Black wire (or brown wire): connect to the live wire (L).
White wire (or blue wire): connect to the neutral wire (N).

Installation Steps:

1. Assemble the lamp frames and secure it with screws and a screwdriver.
2. Attach the hanging cords and adjust the height as needed.
3. Secure the mounting bracket to the ceiling using nails and expansion screws.
5. Connect the lamp wire to the power wire using wiring caps. Wrap the wire caps with electrical tape to prevent electric leakage.
6. Attach the entire lamp body to the canopy with nuts and wrench, then install it onto the mounting bracket and tighten the canopy with nuts.
7. Install the light bulbs.
