

ASSEMBLY OF INSTRUCTION

5x8 Grill Gazebo

WE HAVE YOU IN MIND, LET US SERVE YOU!

Safety Information

Two people are required for this assembly.

Some parts may contain sharp edges.

Wear protective gloves.

When assembling and using this product, basic safety precautions should always be followed to reduce the risk of personal injury and damage to equipment.

Please read all instructions before assembly and usage.

CAUTION: Do not climb on top of the gazebo. Falling off the gazebo can result in serious injury.

NOTICE: For outdoor use

DANGER: This unit is heavy! Do not assemble this item alone

WARNING: Do not leave the gazebo where there is a risk of high wind, as possible damage will occur to the structure.

WARNING: Keep all flame and heat sources away from this gazebo fabric. This Gazebo is made with fabric that meets CPAI-84 specifications for flame resistance. It is not fire proof. The fabric will burn if left in continuous contact with any flame source. The application of any foreign substance to the gazebo fabric may render the flame-resistant properties ineffective.

position to make sure the Small Canopy
could be well fitted.

Adjust the Big Roof Extenders(K2x4) position to make sure
the Big Canopy could be well fitted.

⑨

But please make sure that they are kept away from fire and high temperature!
It should be under 45 degrees.
This is very important. Please note !

There are 2 LED Lights(W) come with this BBQ gazebo.
You can place them on the frame of the gazebo easily because they have magnet.

⑩

Assemble the Storage Hook(V) and the Bar Counter(U) with Screws C(CC).

11

Connect the Lower Leg Posts (A2/B2) with Upper Leg Posts (A1/B1).

12

We have a Bottle Opener (L). Please assemble it into Upper Post (A1) with Screws C (CC).

Mount the Leg Posts on the ground with the Stakes (II).
