General Terms and Conditions for Limited Laminate Warranties

Style Selections laminate flooring carries the specific warranties listed above which are subject to the following general terms and conditions:

1. This warranty applies only to the person stated as the buyer on the purchase document(s). This warranty applies only to first quality Style Selections brand product purchases made after the edition date of this warranty when the product is installed in an indoor, climate controlled private residence and according to the Style Selection's written installation instructions. Product must be maintained in accordance with Style Selection's written instructions.
2. This warranty only applies to defects inherent to the material supplied. It includes the delamination or reduced resistance of the wear layer, but does not include, in beveled-edge products, wear along the edges of the planks less than 3/16" (5mm) from the edge. The lifetime locking warranty on the click-lock joint only applies to open joints greater than 0.01 inches (0.2mm). Style Selections will repair or replace the product, at its option. When replacement of the flooring is made, only new planks from the current product range at the time the complaint is upheld will be supplied. There will be no other form of compensation. Responsibility under this warranty only applies to defects that were not visible before or during the installation of the product. If the product was originally professionally installed, Style Selections will cover reasonable labor costs for repairing or replacing any defective product.
3. This warranty does not cover damage to the product caused by installation errors. Flooring planks must be checked carefully for material defects before and during installation and under sufficient lighting. Products with visible defects must not be installed under any circumstances. The retailer must be informed in writing of such defects within 15 days. After this time has elapsed, no further complaints will be accepted. Color and gloss differences resulting from material added to an existing installation at a later date and from non-warranty repairs are excluded from coverage.

4. This warranty does not apply to laminate flooring that has been put to abnormal use or conditions or abused in any way, which includes, but is not limited to moisture damage from plumbing, storm or flood; damage from smoke, fire or other casualty events; damage caused by negligence; improper alterations of the original manufactured product; damage from use of the flooring that is unreasonable considering the normal and expected uses of a laminate floor in a residential environment; damage of mechanical nature, severe impact or scratches (caused by dragging objects or furniture) or cutting; damage caused by water or moisture trapped beneath the floor due to improper subflooring or underlayment, including but not limited to damage from hydrostatic pressure (water or moisture under the floor that is transmitted to the surface through exerted pressure) or other conditions that result in water or moisture beneath the floor; or damage caused by moisture left on the floor around the wall base, transitions, and trims. The water-resistant warranty does not apply to damage caused by events beyond everyday household spills, including but not limited to flooding, standing water (water that remains on floor longer than thirty minutes), leaking pipes, mechanical failures or appliance leaks. The water resistant warranty applies to Style Selections laminate products only. The damage to the product must be evident, measuring per product unit (plank, accessory, etc.) at least 1.40 square centimeters or 0.5 square inch.
5. This warranty applies only to Style Selections Laminate Flooring installed according to the manufacturer's recommended installation instructions in indoor climate controlled residential spaces. We recommend using Style Selections approved underlayments which have been specifically designed and tested for use with the patented click-lock system. The use of accessories other than Style Selections approved items may cause damage to the Style Selections floor. Proof of compliance with the installation and maintenance instructions must be provided if a claim is filed.
6. A suitable mat or sufficiently large transition area at the entrance door(s) must be used to prevent sand and/or dust from damaging the flooring. Scratching during and after installation is not covered. Gloss reduction is not surface wear. The feet of furniture must always be covered with appropriate protective material. Chairs, sofas, or furniture with castors must be fitted with soft rubber wheels, or an adequate protective mat or protective castor cups must be put under this furniture. This warranty does not apply to damage from exposure to extreme heat, dryness, or stains as a result of chemical or industrial products (other than recommended cleaning products). The flooring may not be installed in damp and/or humid areas, in extremely dry areas or areas where there are extremely high temperatures (such as saunas or swimming pool areas).
7. **Pro Ration of Warranty Period:** The Limited Residential warranty period is pro rata over 30 years. A pro rata warranty is one that provides for a refund or credit that decreases according to a set formula as the warranty period progresses. The Style Selections original warranty value is reduced by the amount of time that you own it. When a claim is made, the value of the warranty becomes a percentage of ownership per year based upon the 30 years for the general warranty for flooring, and accessories and/or 30 years on the integrity of the joint. Any services provided as part of this warranty do not extend the original warranty period. If the product for which a claim is made is no longer available, the customer will be able to choose a Style Selections product of equal value from the current product range. Warranty coverage is limited to a one-time floor replacement.

   No Implied Warranties/Special Damages

   ALL IMPLIED WARRANTIES WHICH MAY ARISE BY IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING OR USAGE OF TRADE – INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE – ARE EXPRESSLY EXCLUDED. NO WARRANTIES, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, EXTEND BEYOND THOSE EXPRESSLY SET FORTH IN THIS WARRANTY BROCHURE, AND ALL SUCH WARRANTIES ARE EXPRESSLY DISCLAIMED. Implied warranties refer to ones that the law presumes to have been given by the seller even though they are not set out in writing. **STYLE SELECTIONS SHALL NOT BE LIABLE FOR AND WILL NOT PAY CONSEQUENTIAL, INCIDENTAL OR SPECIAL DAMAGES OF ANY KIND WHATSOEVER UNDER THIS WARRANTY. PLEASE NOTE:** Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to you. Except for these rights, the remedies provided under these warranties state the entire limit of Style Selections' responsibilities.
