

FRASER HILL FARM®

Festive Christmas Collection

Add a little more sparkle to your holiday season with this Black Festive PVC Tree from Fraser Hill Farm. This playful tree will make a statement in any room it's placed in from the moment you unbox it. Black needles populate each branch and reflect light from every angle. Metal hinged branches make it easy to unfold each tier and begin fluffing. These metal branches are extra-durable and designed for many years of bending and folding in and out of storage.

A matching metal tree stand is included to secure the tree upright. Enjoy never having to shop, chop, and fuss over another natural tree again. This PVC tree from Fraser Hill Farm will quickly become the centerpiece of your holiday festivities and will last year after year.

- Metal hinged branch construction
- Flame-retardant and non-allergenic materials
- 1-year limited warranty
