Table Lamp

Installation Introduction

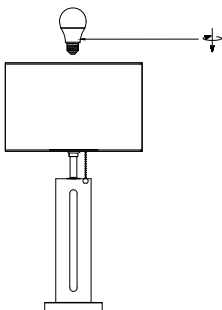

Step 1 :

Fasten (socket assembly) onto (base),be careful not to twist power cord and tighten securely.

Step 2 :

You need to remove the ring from the lamp holder, then place the lamp shade on the E26 lamp holder, and use the ring to secure the lamp shade.

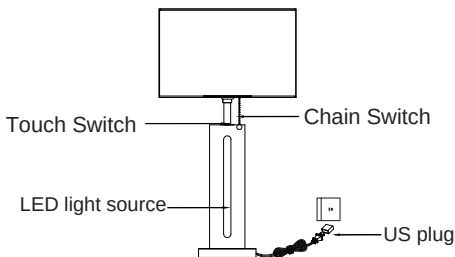

Step 3 :

Install light bulb.

Table Lamp

Operating the lamp:

Note: Remove the protective case from the US Plug first.

The lamp has two switches to control the two light sources, the chain switch to control the E26 lamp head, and the touch switch to control the lamp body LED light source.

The chain switch can only turn the bulb ON/OFF.

The touch switch can adjust the brightness of the LED light source, you tap the touch switch for the first time to turn on the lowest brightness level, and then the second long press the switch brightness from 20%-100% to adjust the level you need. Tap the switch a third time to turn it off.

Note: The brightness that turns on when you tap the switch again is the brightness that was turned off last time

Table Lamp

Important Instructions:

To reduce the risk of fire, electric shock, exposure to excessive UV, radiation, or injury to a person. When using electrical appliances, basic safety precautions should always be followed.

1. Before installing, cleaning lamps, and replacing light bulbs, please cut off the power supply.
2. Do not look directly at the lighted bulb. Otherwise, it will be a bit dazzling in a short time.
3. Keep the lamp away from material that may burn.
4. Do not touch the bulb while it is lit or immediately after turning off the lamp.
5. Do not use outdoors, suggest indoor use only. It is non-waterproof.
6. Do not plug or unplug the power cord with wet hands.
7. Do not use this product in humid environments or at high temperatures.
8. Do not use it to exceed the voltage, the proper voltage for the US is AC110-120V,60Hz.
9. If you want to replace the light bulb, please note that the maximum accepted wattage is 60W.
10. Please stop using it if there are serious defective issues found in the product.
