

Shaw Industries Limited 5-Year Abrasive Wear Warranty

Who is covered

This warranty protects you, the original purchaser, if you have purchased a Shaw carpet covered by this warranty for your own residential use in an owner-occupied residence.

What is covered

Shaw warrants that the surface pile of your carpet will not abrasively wear away by more than 10% in any area of the carpet when used in an owner-occupied residence in a proper indoor installation. Proper installation requires use of a suitable pad meeting FHA/HUD requirements, following the Carpet & Rug Institute Installation Standard effective October 1, 2009. (Note: Shaw Industries recommends a pad with a maximum thickness of 7/16" for optimum performance.) Consult your retailer for details. Abrasive wear means fiber loss, and not changes in appearance such as crushing or matting.

Areas of exclusion

Carpet installed outdoors or in areas subject to other than ordinary shoe traffic is excluded from this warranty. Crushing caused by furniture, including impressions left by legs of furniture, is not covered by this warranty.

The coverage period

This warranty coverage runs for five (5) years from the date your carpet is installed.
