- BRIGHT ILLUMINATION:** Our LED flood light produces 1375 lumens of bright 3000K light while consuming only 15 watts. Perfect for illuminating signs, walls, yards, gardens, increasing security and more. This outdoor flood light can project light up to 100 feet.
- HIGH QUALITY CONSTRUCTION:** Our outdoor led flood lights are made with powder coated die cast construction for superior commercial grade quality. Our integrated LED light lasts up to 20 times longer compared to traditional Halogen bulbs.
- BUILT TO LAST:** Our LED outdoor flood lights are able to operate in cold weather up to -13 degrees F and hot weather up to 120 degrees F. Our flood lights are also IP66 rated and wet location rated with UL certification.
