Yellow and Red Winged Wire Connectors, 150-Pack

Klein Tools Wire Connectors feature a curved wing design for added leverage on difficult wire combinations while maintaining a compact profile. A quick-bite spring provides secure connections across a wide 22-6 AWG wire range. The 5/16-Inch hex top is compatible with nut drivers and power tool accessories, and the durable, UL Listed polypropylene shell is designed for reliable performance in demanding jobsite conditions.

Specifications
