

Haunted Hill Farm®

Enter, if you dare, into the horrifying world of Haunted Hill Farm. Be afraid. Be very afraid of our Cornfield and Pumpkin Patch Collection. These wild beasts are just what you need to turn your home into the scariest house on the block.

Drendite, the creepy ghost tree, was an ordinary tree until lightning struck him one night. Instead of burning up, he came to life. He erupts with villainous laughter, and his face lights up with a bright white strobe effect. Thunder and electrified lightning sounds echo around him like a curse on the night.
