## ABOUT PRODUCT ASSEMBLY

Please read instructions thoroughly prior to assembly, assemble all the parts according to the directions in this instructions, do not skip any steps.

Please check your package according to the PARTS LIST in the instructions to ensure that there are no missing or damaged before you starting assembly, kindly contact us if you find any wrong.

There have (Parts NO, Parts Name and Quantity ) are imprinted on each kind of part for easy identification.

We provides extra hardware for use as spare parts for your convenience. Please save the spare parts.

The storage cabinet can hold 4 shelves in total, and we equip with 2 shelves for free, if you need more shelf, please in enter our store and order it.

We would kindly advise you to follow the instructions in the manual to install, wrong assembly methods can result in damage to the inside of the hole to create links between the panels loose or unable to assembled properly.

# Parts List

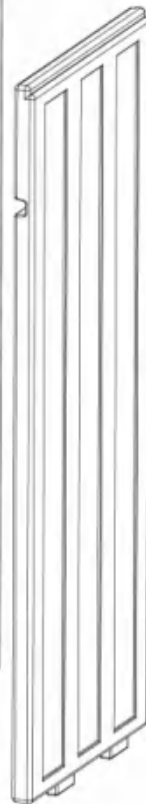

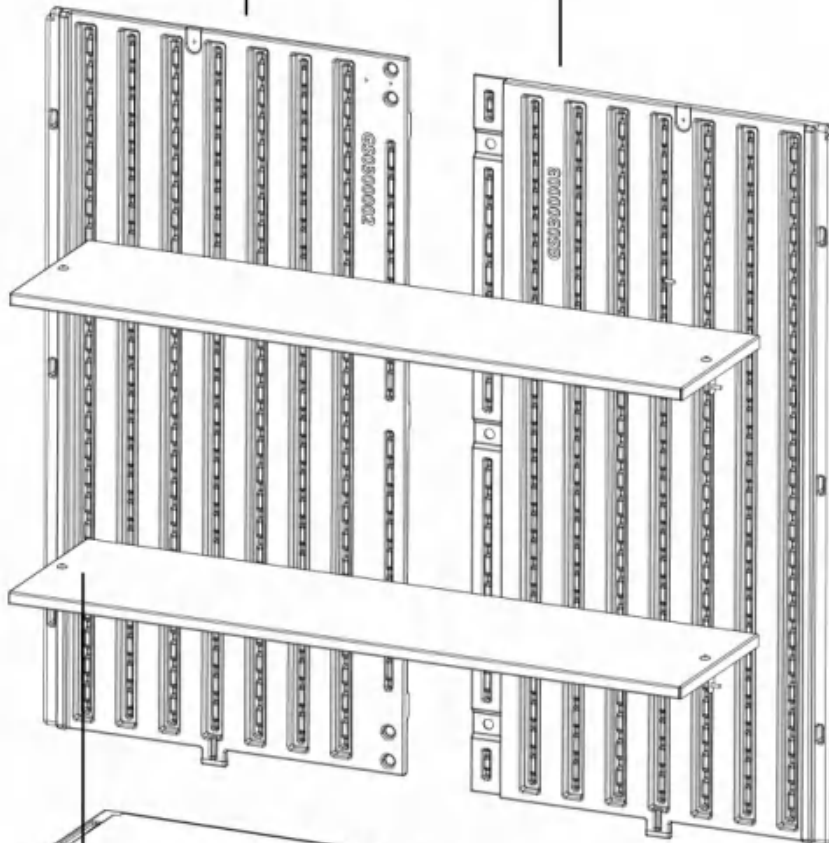

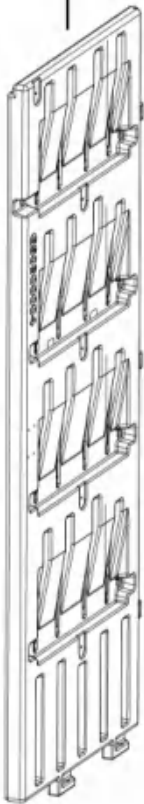

No.	Parts No.	Parts Name	Material	Quantity	Specifications (mm)
1	GS0300001	Floor Panel	HDPE	1	870x370x35
2	GS0300002	Left Back Panel	HDPE	1	885x455x28

## ABOUT PRODUCT MAINTENANCE

This storage cabinet should be far away from the open flame.

At regular check the storage cabinet to ensure that it's stable and assembly integrity has been maintained.

Do not stack more than 15 kg items on the storage cabinet roof all the time in case deformation of the roof.

Do not store hot items(recently used grills, blowtorches etc. ),flammable or caustic chemicals in the storage cabinet.

If outdoor use, please keep doors closed and locked when the storage cabinet is not in use long time to prevent wind damaged or damaged by animals or bad people.

Wash with a mild soap and water if there is any stain on the storage cabinet. Do not use a stiff brush,bleach,ammonia or any other caustic cleaners, as these may damage the storage cabinet or could result in permanent staining of the plastic.This is not manufacturing defect and is not covered under warranty.

If the environment permits, install the storage cabinet in a cool place, as prolonged exposure to direct sunlight may deform the panel and accelerate aging.

---

## WARRANTY
