

EZ ETCH KIT INSTRUCTIONS

IMPORTANT:

Please read through the instructions carefully before using this product

Supplies Included

- EZ Etch (16oz or 32oz - Depending on Kit)
- Scrubbing Pad
- Latex Gloves

Bathworks® EZ Etch is strongly recommended for preparing a wide variety of surfaces prior to applying refinishing paints - but especially for **cast iron**, **steel**, and **ceramic**.

Safety

Although water-based, this product is highly corrosive. Ensure work area has proper ventilation. Always wear personal protection - respirator, gloves, eyewear while using this product. If product makes direct contact to skin or eyes, flush immediately and thoroughly with water. Keep away from children, animals, and individuals sensitive to fumes. May be flammable. Please dispose of unused product in accordance to state, city, & town codes.

Directions

NOTE: *If you've purchased this item along with a Refinishing Kit, follow this process after Step 5 in the Refinishing Kit Instructions.*

STEP 1: Mix or stir thoroughly and extremely well. It is natural for the contents of this product to settle at the bottom of the container.

STEP 2: For horizontal surfaces, pour enough EZ Etch directly into the center of the desired area. With a sponge, spread thoroughly to the entire surface. For vertical surfaces, pour enough EZ Etch into sponge or **scrubbing pad** and apply to desired area. Let the product rest on the desired surface for **20 minutes**.

STEP 3: Using a sponge or **scrubbing pad**, rinse thoroughly with water.

NOTE: *You may now proceed to Step 6 in the Refinishing Kit Instructions.*

LIMITED WARRANTY

Tub Refinishing, Inc. DBA Munro Products as follows; this warranty is in lieu of all other written or unwritten, expressed, or implied warranties, and Tub Refinishing, Inc. DBA Munro Products expressly disclaims any warranty of merchantability or fitness for a particular purpose. The buyer assumes all risks whatsoever as to the use of the material. Keep away from children, animals, or persons that are sensitive to paint or fumes. Fumes can be harmful to humans and animals, and can also be flammable.

SAFETY

A protective respirator should be worn if available. Use product with adequate ventilation. Always use rubber gloves. Tub Refinishing, Inc. DBA Munro Products is not responsible for accidents or misuse of these products or parts and materials of this kit. Safety is in the hands of the user. Keep all refinishing kit materials and tools away from children, animals, and individuals sensitive to paint or fumes. Some items in this kit are flammable and should be disposed of properly in accordance to local state, city, & town codes regulating used paint products. Use all paint products with caution. **DO NOT** dispose of paint or clean tools by using water and flushing down household drains - these are solvent-borne products and may potentially damage pipes & the environment. Use **Xylene** or comparable cleaner for cleaning tools & spills. If you are unsure about the use or safety of this product, please return the unopened and unused kits to the supplier. All returned goods are at the purchaser's cost. Opened or used materials will be refused for credit. See all **Safety Data Sheets** (SDS) which are available via our website: **bath-works.net**

SUITABILITY FOR USE

The user is responsible for establishing that these products are suitable for the user's application and that all requirements for meeting approvals, standards, codes, disposal, use, and regulations of any kind are satisfied. Distributor denies any responsibility for establishing suitability of use; where, when, and how the materials from this kit are used. Read all information and instruction before use of this product. Use caution.

For Emergency: CHEMTREC® 1-800-424-9300
