

THERAGUN Wave Duo

Portable. Versatile. Ergonomic.

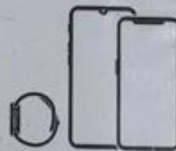

Release tension and increase range of motion with the Wave Duo. It's thoughtfully constructed and ergonomically designed to apply pressure and vibration to those hard to reach areas.

Product Specs

- 5 intensity settings for a customized experience
- 200 minute battery life for sustained use
- 7 inches long for ultra-portable full-body treatment

Features

- Hypo-allergenic textured silicone
- USB-C enabled

It all starts with the Therabody app where you'll find quick and easy personalized routines.
