

## Outdoor Wooden Storage Shed

Say goodbye to outdoor clutter and keep everything organized in one place with this modern utility shed by Hanover.

It's the perfect place to store tools, garden supplies and all of your outdoor accessories - with 7 cubic feet of internal space, you can protect it all. Equipped with two corner shelves, you can neatly store your smaller items and still have room for larger, vertical tools like rakes and shovels. The asphalt roof is waterproof and the pitched roof design allows efficient water and snow runoff to keep everything nice and dry all year long. The shed is constructed with durable, natural fir wood, painted a modern mint green color that adds the perfect accent to your outdoor oasis.

For all of your outdoor storage needs, depend on quality products from Hanover.
