## Complete Your Project

### PROJECT SOURCE® WATERPROOF QUARTER ROUND

We recommend Project Source waterproof quarter round molding for all Pergo waterproof floors with WetProtect. This paintable, waterproof molding is designed to cover the expansion space between the floor and the wall to provide a waterproof perimeter seal that adds an additional layer of protection to your subfloor.

See the complete line-up of Project Source coordinating mouldings, including quarter round, wall base, stair nose and 4-in-1 transitions, on [lowes.com](https://www.lowes.com).

### FLOORS PERFORM BETTER WITH PERGO GOLD®

Even if your laminate floor has an attached pad, Pergo Gold premium underlayment and moisture barrier will increase the sound & thermal performance.
