

MAINTENANCE

▲WARNING: Disconnect air line from tool, engage trigger lock and remove fasteners from magazine before making adjustments or personal injury may result.

DAILY MAINTENANCE CHART

ACTION	WHY	HOW
Lubricate tool with 5-7 drops of PORTER-CABLE Pneumatic Tool Oil	Prevents failure of o-rings	Insert drops into air fitting on end cap of tool
Drain compressor tanks and hoses daily	Prevents accumulation of moisture in compressor and nailer	Open petcocks or other drain valves on compressor tanks. Allow any accumulated water to drain from hoses
Clean magazine, magazine release and contact trip mechanism.	Permits smooth operation of magazine, reduces wear and prevents jams.	Blow clean with compressor air. The use of oils, lubricants periodically or solvents is not recommended as they tend to attract debris.
Before each use, check to insure all screws, nuts and fasteners are tight and undamaged.	Prevents jams, leaks and premature failure of tool parts.	Tighten loose screws or other fasteners using the appropriate hex wrench or screwdriver.

CLEANING

▲WARNING: Never use solvents or other harsh chemicals for cleaning the non-metallic parts of the tool. These chemicals may weaken the materials used in these parts. Use a cloth dampened only with water and mild soap. Never let any liquid get inside the tool; never immerse any part of the tool into a liquid.

REPAIRS

For assistance with your tool, visit our website at www.portercable.com for a list of service centers, or call the PORTER-CABLE Customer Care Center at 1-888-848-5175 (U.S. & Canada Only).

SERVICE

are fully guaranteed against defective material and workmanship. We cannot guarantee repairs made or attempted by others.

You can also write to us for information at PORTER-CABLE, 4825 Highway 45 North, Jackson, Tennessee 38305 - Attention: Product Service. Be sure to include all of the information shown on the nameplate of your tool (model number, type, serial number, etc.).

ACCESSORIES

⚠ WARNING: Since accessories, other than those offered by PORTER-CABLE, have not been tested with this product, use of such accessories with this tool could be hazardous. To reduce the risk of injury, only PORTER-CABLE recommended accessories should be used with this product.

A complete line of accessories is available from your PORTER-CABLE Factory Service Center or a PORTER-CABLE Authorized Warranty Service Center. Please visit our Web Site www.portercable.com for a catalog or for the name of your nearest supplier.

THREE YEAR LIMITED WARRANTY

PORTER-CABLE will repair, without charge, any defects due to faulty materials or workmanship for three years from the date of purchase. This warranty does not cover part failure due to normal wear or tool abuse. For further detail of warranty coverage and warranty repair information, visit www.portercable.com or call 1-888-848-5175 (U.S. & Canada Only). This warranty does not apply to accessories or damage caused where repairs have been made or attempted by others. This warranty gives you specific legal rights and you may have other rights which vary in certain states or provinces.

In addition to the warranty, PORTER-CABLE tools are covered by our:

1 YEAR FREE SERVICE: PORTER-CABLE will maintain the tool and replace worn parts caused by normal use, for free, any time during the first year after purchase.

90 DAY MONEY BACK GUARANTEE: If you are not completely satisfied with the performance of your PORTER-CABLE Power Tool, Laser, or Nailer for any reason, you can return it within 90 days from the date of purchase with a receipt for a full refund – no questions asked.

LATIN AMERICA: This warranty does not apply to products sold in Latin America. For products sold in Latin America, see country specific warranty information contained in the packaging, call the local company or see website for warranty information.

To register your tool for warranty service visit our website at www.portercable.com.

WARNING LABEL REPLACEMENT

If your warning labels become illegible or are missing, call 1-888-848-5175 (U.S. & Canada Only) for a free replacement.

	⚠ ADVERTENCIA Lea y comprenda las etiquetas y el manual de la herramienta. No seguir las instrucciones podría provocar la MUERTE o LESIONES GRAVES. Es OBLIGATORIO que el operador y las demás personas que estén en el área de trabajo utilicen gafas de seguridad con protecciones laterales. Mantenga los dedos ALEJADOS del gatillo cuando no esté colocando sujetadores para evitar que la herramienta se dispare accidentalmente. La elección del método de disparo es importante. Lea el manual para conocer las opciones de disparo. NUNCA apunte la herramienta hacia usted o hacia otras personas que estén en el área de trabajo. NUNCA utilice oxígeno u otros gases envasados. Esto podría provocar una explosión.		⚠ AVERTISSEMENT Lire et comprendre les étiquettes apposées sur l'outil et dans le manuel. Ne pas respecter les avertissements peut provoquer la MORT ou des BLESSURES GRAVES. L'opérateur et les autres personnes présentes dans la zone de travail DOIVENT porter des lunettes de sécurité avec coques latérales. ÉLOIGNER les doigts de la gâchette à la fin de la pose des attaches pour éviter un tir accidentel. Le choix du mode de déclenchement est important. Consulter le manuel pour connaître les options de déclenchement. NE JAMAIS pointer l'outil vers vous ou les personnes présentes dans la zone de travail. NE JAMAIS utiliser d'oxygène ou d'autres gaz en bouteille. Une explosion peut survenir.
