

## California Proposition 65

This Act, commonly known as Proposition 65 (Prop 65) establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm. The complete Proposition 65 chemical list can be found at:  
<https://oehha.ca.gov/proposition-65/about-proposition-65>

**Warning: This product may contain a chemical known to the State of California to cause cancer or birth defects or other reproductive harm.**

MR Direct has instituted a company-wide policy to reasonably make clear that our products may use certain chemicals listed within Proposition 65. All product shipped to or sold to consumers in California include documentation with the shipment and reference our website. There are over nine hundred (900) chemicals on the Proposition 65 list and MR Direct utilizes some of these chemicals in our Pro Care products. Although not all products contain chemicals within the list, MR Direct is being cautious and diligent in complying with the California Law.

As of November 1, 2019, the chemicals we are aware of and listed within Proposition 65 are:

- Scratch-B-Gone Homeowner - Diethanolamine
- Scratch-B-Gone Small Area - Diethanolamine
- Granite and Stone Rescue Spray - Diethanolamine
- Stainless Steel Rescue Maintenance - Diethanolamine
- Copper Patina Maintenance Wax-1 - chloro-4
