

**READ AND FOLLOW ALL SAFETY INSTRUCTIONS!
SAVE THESE INSTRUCTIONS AND DELIVER TO OWNER
AFTER INSTALLATION**

IMPORTANT SAFETY INSTRUCTIONS

▲ WARNING

To reduce the risk of death, injury or property damage from fire, electric shock, cuts, abrasions, falling parts, and other hazards:

- Service of the equipment must be performed by qualified service personnel.
- Installation and maintenance must be performed by a person familiar with the construction and operation of this product and any hazards involved. All applicable codes and ordinances must be followed.
- Read this document before installing, servicing, or maintaining this equipment or installing a lamp. These instructions do not cover all installation, service, and maintenance situations. If your situation is not covered, or if you do not understand these instructions or additional information is required, contact *Lithonia Lighting* or your local *Lithonia Lighting* Distributor.
- Read and follow all warnings and instructions provided by the lamp manufacturer.

▲ WARNING

Before installing, servicing, or maintaining this equipment, follow these general precautions.

To reduce the risk of electrocution:

- Make sure the equipment is properly grounded.
- Always de-energize the circuit and/or equipment before connecting to, disconnecting from, or servicing the equipment.

To reduce the risk of fire:

- Keep material away that can burn from hot lamp.
- Make sure lamps are correctly installed.
- Use supply conductors with a minimum installation temperature rating as specified on equipment.

To reduce the risk of personal injury from cuts, abrasions, or falling parts:

- Wear gloves to prevent cuts or abrasions from sharp edges when removing from carton, handling and maintaining this equipment.
- Do not use abrasive materials, glass cleaners or other solvents on reflector or lens. These substances may damage equipment and cause parts to eventually break and fall.
- Do not install a damaged fixture.

▲ CAUTION: Observe lamp manufacturer's recommendations and restrictions on lamp operation, including but not limited to ballast type, burning position, replacement and cycling. Use only lamps that comply with applicable ANSI standards.

NOTICE: If lamp is marked  it contains mercury. Follow disposal laws. See www.lamprecycle.org

Lithonia Lighting, a division of *Acuity Brands Lighting, Inc.*, assumes no responsibility for claims arising out of improper or careless installation or handling of this product.

INSTRUCTIONS FOR FGB HIGH BAY

INSTALLATION OF THE FIXTURE IN ANY OTHER MANOR THAN WHAT IS INDICATED WITHIN THE SUPPLIED INSTRUCTIONS WILL VOID ALL WARRANTIES. MAKE CERTAIN THAT ALL POWER IS DISCONNECTED PRIOR TO INSTALLING THE FIXTURE.

THESE INSTRUCTIONS ARE FOR THE STANDARD PRODUCT. FOR ASSISTANCE WITH A SPECIAL MADE TO ORDER PRODUCT, PLEASE CONTACT FLUORESCENT TECHNICAL SUPPORT

WIRING

Remove access cover plate by sliding towards end of fixture until released. Removal can be done by using a hammer or some type of device that is able to provide force.

After removing access plate, pull lead wires from square opening in back of channel.

Remove appropriate KO from access plate. Attach incoming supply wiring material to access plate

After supply wire is connected to access plate, connect the wires black to black, white to white and ground to ground. When wiring T5 fixtures, there will be an extra Gray / Red wire that can be used for switching.

Re-attach access plate by sliding into end of cut out and pulling back.

HANGING FIXTURE **AIR CRAFT CABLE INSTALLATION**

Refer to instructions included when the IBAC accessory is ordered.
