

Reed Metal Pergola

Add architectural interest and shade to your yard or garden with the **Reed Pergola by Hanover**. Our freestanding design allows you the freedom to place it wherever you want. You can install it over your patio furniture or use it to create a chic passageway from one area to the next.

This modern aluminum and steel pergola not only adds style to your yard or garden, but it also offers shade from harsh sun rays while still allowing a cool breeze to pass through. The adjustable sling canopy gives you control over the amount of shade it provides. You can also customize it by adding lights or flowering vines to create a one of a kind look.

Imagine and create your favorite secret hideaway with **Hanover's Reed Pergola**.
