[Guarantee]

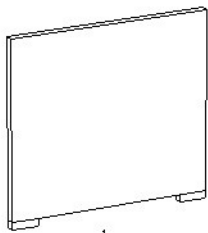

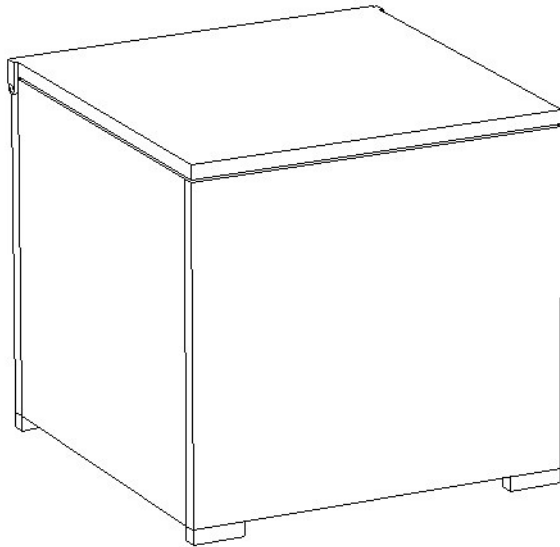

If you have questions or quality problem, Email us:
service@foresthome-us.com
we will reply you in 12hour. Have a great shopping experience.

[Most important !!!]

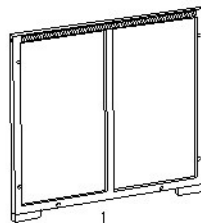

Do not tighten any bolts until it tells you to use the tool. Fingertip tight only. See the video first! It will save you one hour. Because they need some room to adjust. Keep the product balanced and stable. If you tighten some of these screws first, the other screws may not have room to fit, and the product will not be installed successfully.

[Installation Video]

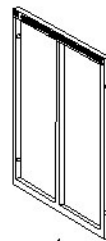

The installation video on YOUTUBE for your reference.
The Youtube code is wIZEdkU04w4. you just search the code on YOUTUBE, the video will be there. Scan it.
