

VanZyverden's
DIERVILLA NIGHTGLOW™ 4" POTTED ROCKETLINERS®

Rocketliners® are sized, shaped and rooted throughout the pot with strong and responsive roots. Gardeners can expect a finished healthy plant within a single growing season. They have greater fresh root mass and vertical root training which promotes faster finishing times. While it can often take up to 3 years for a shrub or vine to get fully established growing from bareroot, Rocketliners® may only take 12 months, saving you up to 2 seasons of waiting time. Rocketliners® are for gardeners that have busy lives, little time to waste and want to start out with the best planting stock.

*diervilla is a deciduous shrub

light up the dark red foliage*

*shrubs are the
cornerstone of landscapes*

About This Variety: Nightglow™ (Diervilla splendens 'El Madrigal' USPP28060) from Bloomin' Easy® is an ornamental deciduous shrub also known as bush honeysuckle (not to be confused with Lonicera japonica which shares the common name and is an invasive species in some states). Nightglow™ produces intensely yellow blooms which light up the dusky red foliage. Compact and showy selection. Red foliage becomes more intense during fall. Very easy care. Minimal fertilizer required. Plant in a mixed border, along a walkway or in a large patio container.

Growing Instructions: Dig a hole two times the width of the Liner pot. Set top of root ball even with ground level. Combine planting mix and garden soil. Fill to ground level and tamp down firmly. Water to settle soil. Add layer of mulch to retain moisture and discourage weeds. Water regularly for the first year, then as needed once established. Feed with a quality fertilizer following application and frequency instructions, typically just before and during the bloom season.

Care Tip: Trim into low mounding shape in early spring for great form and flower performance.

Exposure: full sun

Height: grows 24-36" tall

Spacing: plant 24-36" apart, setting root ball even with ground level

USDA Zones: hardy in USDA zones 3-7

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
