

MAINTENANCE

⚠ WARNING: Disconnect air line from tool and remove fasteners from magazine before making adjustments or personal injury may result.

DAILY MAINTENANCE CHART

ACTION	WHY	HOW
Drain compressor tanks and hoses daily.	Prevents accumulation of moisture in compressor and nailer.	Open petcocks or other drain valves on compressor tanks. Allow any accumulated water to drain from hoses.
Clean magazine and magazine release.	Permits smooth operation of magazine, reduces wear and prevents jams.	Blow clean with compressor air. The use of oils, lubricants periodically or solvents is not recommended as they tend to attract debris.
Before each use, check to insure all screws, nuts and fasteners are tight and undamaged.	Prevents jams, leaks and premature failure of tool parts.	Tighten loose screws or other fasteners using the appropriate hex wrench or screwdriver.

CLEANING

⚠ WARNING: Never use solvents or other harsh chemicals for cleaning the non-metallic parts of the tool. These chemicals may weaken the materials used in these parts. Use a cloth dampened only with water and mild soap. Never let any liquid get inside the tool; never immerse any part of the tool into a liquid.

REPAIRS

For assistance with your tool, visit our website at www.deltaportercable.com for a list of service centers, or call the PORTER-CABLE Customer Care Center at (888) 848-5175.

SERVICE

REPLACEMENT PARTS

Use only identical replacement parts. For a parts list or to order parts, visit our service website at www.deltaportercableservicenetwork.com. You can also order parts from your nearest PORTER-CABLE Factory Service Center or PORTER-CABLE Authorized Warranty Service Center. Or, you can call our Customer Care Center at (888) 848-5175.

SERVICE AND REPAIRS

All quality tools will eventually require servicing and/or replacement of parts. For information about PORTER-CABLE, its factory service centers or authorized warranty service centers, visit our website at www.deltaportercable.com or call our Customer Care Center at (888) 848-5175. All repairs made by our service centers are fully guaranteed against defective material and workmanship. We cannot guarantee repairs made or attempted by others.

You can also write to us for information at PORTER-CABLE, 4825 Highway 45 North, Jackson, Tennessee 38305 - Attention: Product Service. Be sure to include all of the information shown on the nameplate of your tool (model number, type, serial number, etc.).

ACCESSORIES

⚠ WARNING: Since accessories, other than those offered by PORTER-CABLE, have not been tested with this product, use of such accessories with this tool could be hazardous. To reduce the risk of injury, only PORTER-CABLE recommended accessories should be used with this product.

A complete line of accessories is available from your PORTER-CABLE Factory Service Center or a PORTER-CABLE Authorized Warranty Service Center. Please visit our Web Site www.deltaportercable.com for a catalog or for the name of your nearest supplier.

THREE YEAR LIMITED WARRANTY

PORTER-CABLE will repair, without charge, any defects due to faulty materials or workmanship for three years from the date of purchase. This warranty does not cover part failure due to normal wear or tool abuse. For further detail of warranty coverage and warranty repair information, visit www.deltaportercable.com or call (888) 848-5175. This warranty does not apply to accessories or damage caused where repairs have been made or attempted by others. This warranty gives you specific legal rights and you may have other rights which vary in certain states or provinces.

In addition to the warranty, PORTER-CABLE tools are covered by our:

1 YEAR FREE SERVICE: PORTER-CABLE will maintain the tool and replace worn parts caused by normal use, for free, any time during the first year after purchase.

90 DAY MONEY BACK GUARANTEE: If you are not completely satisfied with the performance of your PORTER-CABLE Power Tool, Laser, or Nailer for any reason, you can return it within 90 days from the date of purchase with a receipt for a full refund – no questions asked.

LATIN AMERICA: This warranty does not apply to products sold in Latin America. For products sold in Latin America, see country specific warranty information contained in the packaging, call the local company or see website for warranty information.

To register your tool for warranty service visit our website at www.deltaportercable.com.

WARNING LABEL REPLACEMENT

If your warning labels become illegible or are missing, call (888) 848-5175 for a free replacement.

	Model PIN138 1 3/8" (35 mm) 23 Ga. (.9mm) FINISH NAILER ⚠ WARNING Read and understand tool labels and manual. Failure to follow warnings could result in DEATH or SERIOUS INJURY. Operators and others in work area MUST wear ANSI Z87.1 safety glasses with side shields. Keep fingers AWAY from trigger when not driving fasteners to avoid accidental firing. Choice of triggering method is important. Check manual for triggering options. Never disable trigger. Ensure trigger operates properly before use. NEVER point tool at yourself or others in work area. NEVER use oxygen or other bottled gasses. Explosion may occur. Disconnect air before servicing tool, clearing jams, and adjusting depth. ⚠ ADVERTENCIA Por favor lea y comprenda las etiquetas y el manual de la herramienta. El no cumplir con las advertencias, podría resultar en serias lesiones personales o la muerte. Los operarios y demás personas en el área de trabajo deberán llevar anteojos de seguridad ANSI Z87.1 con protección lateral. A fin de evitar el disparo accidental, mantenga los dedos alejados del gatillo cuando no está clavando. Es importante asegurar el método de disparo. Verifique las opciones que ofrece el manual. Nunca deshabilite el gatillo. Asegúrese de que el gatillo funcione apropiadamente antes de utilizar la herramienta. La herramienta jamás se deberá apuntar hacia uno mismo ni hacia las demás personas en el área de trabajo. Nunca utilice oxígeno ni demás gases envasados que puedan explotar. Desconecte la alimentación de aire antes de revisar la herramienta, antes de desarmar los sujetadores o de ajustar la profundidad.

⚠ AVERTISSEMENT Lire et comprendre les étiquettes de l'outil ainsi que le guide d'utilisation. Le non-respect des avertissements présente des risques de décès ou de blessures graves. Les personnes qui utilisent l'outil et les personnes qui se trouvent dans la zone de travail doivent porter des lunettes de sécurité à écran latéral conformes à la norme ANSI Z87.1. Éloigner les doigts de la détente lorsqu'on n'enfoncé pas d'attaches afin d'éviter le fonctionnement accidentel de l'outil. Le choix de la méthode d'agrafage est important. Vérifier les options de détente dans le guide d'utilisation. Ne jamais désactiver la détente. S'assurer que le déclencheur fonctionne convenablement avant d'utiliser l'outil. Ne jamais pointer l'outil vers soi ou vers d'autres personnes dans la zone de travail. Ne jamais utiliser de l'oxygène ni d'autres gaz embouteillés; cela présente un risque d'explosion. Débrancher l'alimentation en air avant de faire l'entretien de l'outil, de dégager l'outil et d'en régler la profondeur.

TROUBLESHOOTING GUIDE

MANY COMMON PROBLEMS CAN BE SOLVED EASILY BY UTILIZING THE CHART BELOW. FOR MORE SERIOUS OR PERSISTENT PROBLEMS, CONTACT A PORTER-CABLE SERVICE CENTER OR CALL 1 888 848-5175.
