AirStep® Plus™

Featuring

AirStep Plus

stands out as one of the new generation of flexible flooring products from Congoleum. From top to bottom, AirStep Plus is loaded with the looks and features that take flooring to new heights.

Featuring

- *AirStep Plus* offers protection like no other floor you can buy.
 - Worried about soil and stains? The wear surface with built-in Scotchgard™ Protector repels dirt, grime and liquids and resists even the toughest stains, making *AirStep Plus* a breeze to maintain.
 - *AirStep Plus* also contains silver, nature's own antibacterial protection to guard your floor against bacteria, mold and mildew.
 - The unique UltraTec construction gives *AirStep Plus* exceptional durability and wear resistance. It is warm, quiet and comfortable underfoot.
- *AirStep Plus* can be installed loose lay, perimeter fastened or fully adhered over most subfloors with little floor preparation.
- *AirStep Plus* is environmentally friendly and FloorScore certified. FloorScore certified flooring products have passed a third party certification process and are recognized as contributing to good indoor air quality in order to protect human health.

AirStep Plus is redefining sheet flooring, making it the ideal choice for your busy lifestyle.

General Maintenance

- Sweep or vacuum regularly to remove grit and sand that can abrade, dull or scratch your new floor. Do not use a vacuum with a beater brush, because it may damage the floor's surface.
- Wipe up spills promptly with a damp cloth or mop.
- For a more thorough cleaning, wash your floor with Congoleum Bright 'N Easy No-Rinse Cleaner or other suitable floor cleaner.
