

steps to care

taking care of your bath rugs

Always test fabric-friendly cleaners in a small area before use.

Do machine wash as often as required to prevent dust build-up.

If a yarn is loose, clip it. Do not pull.

Low heat tumble dry to maintain appearance.

Wash dark colours separately.

Do not leave damp mat on floor. Allow it to air-dry completely before use.

Do not use stiff bristle brushes to clean.

Do not use abrasive or harsh chemicals to clean as this may damage the finish.

Do not use heat to dry to prevent back from cracking or melting.
