

IMPORTANT: To maintain product warranty, the enclosed security clips **MUST BE INSTALLED.**

INSTALLING CLIPS:

1. Pinch Clip as shown in the illustration, with fingers or needle nose pliers
2. Insert Security Clip into slot in the vent frame
3. Release Clip and repeat on the other side of the frame

REMOVING CLIPS:

1. Take needle nose pliers and squeeze Clip ends, gently remove Clips
2. Repeat with other Clip
3. The Flood Door can now be removed for cleaning
