

FRASER HILL FARM®

Let It Snow Series Street Lamp w/ Lighted Base

Capture the magic of falling snow with this musical street lamp from the Let It Snow series by Fraser Hill Farm, where all products produce flurries of faux snow that fall over various holiday scenes.

Sparkling white LED lights illuminate the white polyfoam beads cascading over a Flying Santa scene. Warm white light radiates from the windows on the base, creating a unique holiday decoration. Three popular holiday tunes play randomly while the artificial snow flutters inside the lantern. You can enjoy the lights and snowfall with or without music.

This unique snowy lamp post will help create a magical winter wonderland in your foyer or anywhere inside your beautiful home. Plug it in, and let it snow!
