

## LIMITED WARRANTY

Mid America Outdoor Supply (MAOS) offers a limited one-year warranty to the original owner of our products. Within a 30-day period, MAOS will repair or replace, at its discretion, any parts found to be missing from or damaged in the original packaging. MAOS will only replace a defective part due to a manufacturer's defect and not for seasonal checks. Photographs are required to process this claim. After the initial 30 days, shipping and handling fees will apply.

Under this warranty, there will be a replacement for any defective component of the Planter Box. A one-year warranty covers all parts. However, this warranty does not cover labor costs, expedited freight, commercial use, abuse, accidents, modifications, the addition of any accessories not sold by MAOS, cosmetic issues such as fading or scratches from normal wear, or any other causes not arising from defects in materials or workmanship. Minor wood checks, cracks, and surface blemishes are all-natural characteristics of wood that do not affect its structural integrity and are not covered under this warranty.
