ATTENTIONS & Return Policy

1) After installation, in order to ensure that the chair can work normally, please follow the steps below to check:

- ① Check all the cables are connected correctly.
Check if the cables under the seat is loosed or not.
The red wire should be connected to the red one.
The white wire should be connected to the white one.
- ② Check if the light of the transformer is on.
- ③ Check if the light of remote is on.
- ④ Make sure the motor have a weak buzz (48 decibel) if the three above steps are normal.
- ⑤ Use some lubricant on the joints motor and mechanism of the chair.

2) If the chair does not work properly, please tell us your checking result. It is best to shoot video and send it to our e-mail, we can understand your problem faster and more accurately. Any questions or concerns, please contact us:

Phone: 888-370-5534

E-mail: amazon.us1@zoy-living.com

Website : <https://canmov.myshopify.com>

Our engineer will see where is wrong with the chair and provide you a satisfied solution. (If the parts were broken, we would like to send the replacement parts to you.)

3)Return Policy:

- ① please contact the customer service (888-370-5534) (provide the packing picture, we will handle the return process for you more quickly);
- ② please use the original carton to return the goods ensuring that the cartons are in good condition;
- ③ if the above two points are met, we accept the return, otherwise, our warehouse will reject the goods
