### SURFACE MOUNT APPLICATION

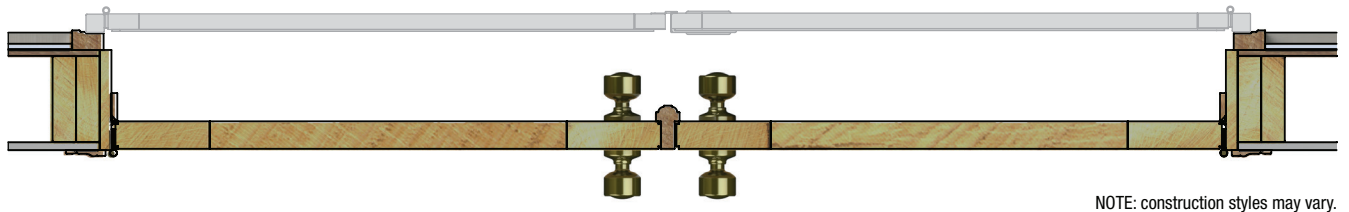

#### SINGLE

A standard 36-in-x 80-in door is shown. The rails mount directly to the face of the exterior brickmold and require a 1-in wide mounting surface (38 3/4-in total mounting width). Note that the Magnum finished width measures 38 1/8-in.

#### DOUBLE

A standard 72-in opening shown. 75-1/4-in actual net size. Please allow +/- 1/8-in tolerance on width and height.

### LOCK BOX LOCATION

Hardware location for Gatehouse doors are figured from the bottom up to the center of the top hole. Based on a standard 80-in door, this measurement is 41-11/16-in.

**NOTE:**

Make sure that your new handle (sold separately) does not interfere with prime door handle; always check projection depths when purchasing hardware.

Adjusted lead times and pricing varies.
