MAY THE BEST LAWN WIN™

Unlock the potential in your lawn, plants, flowers, and garden with Root Booster™! Its all-natural formula unleashes powerful microbes to help new grass grow strong and healthy. Root Booster™ is easy to use and works wonders on existing lawns by releasing locked-up nutrients in the soil, improving water absorption, and maximizing nutrient uptake - transforming your lawn and garden into the envy of the neighborhood!

For best results apply Root Booster™ before 10 am or after 5 pm. This allows for decreased evaporation and greater efficacy. Application during the afternoon should be avoided.

DIRECTIONS:

-  Shake product well before use
-  Connect the Turf Titan sprayer to your garden hose
-  Slide the thumb activation switch to ON and turn the water on at a **LOW TO MEDIUM FLOW**
-  **MOVE SWIFTLY** and cover entire lawn evenly
-  Water the lawn for 20 minutes after application

APPLICATION: 4-6 oz. of Root Booster™ per 1000 sq. ft. For best results apply Root Booster™ every 4-6 weeks. Product will have a strong odor due to Microbial Activity. Best if used within 6 months of purchase.
