

Directions for Use

DIRECTIONS: SHAKE WELL BEFORE USE. For best results, apply to a freshly washed & dried surface. May be applied by hand or using a power system polisher (variable speed polisher).

BY HAND: Apply a small amount of product directly onto dampened cloth or the surface area. Start with light pressure in a tight circular pattern. If necessary, increase pressure, 2-4 pounds, until desired result is achieved. Too much pressure may scratch the surface. Do not allow product to dry. For stubborn stains, repeat process if necessary. Clean the surface with water and wipe off residue with a clean dry soft cloth.

BY MACHINE: Apply a small amount of product to work surface or polishing pad. Use moderate pressure, 2-4 pounds. Too much pressure may scratch the surface. Do not allow product to dry. Touch up if necessary. Clean the surface with water and wipe off residue with a clean dry soft cloth.

CAUTION: Use only on surfaces not harmed by mild abrasives. Not for use on mirrored glass, painted metal surfaces and Plexiglas®. Do not use on warm glass or in direct sunlight. Keep from freezing. Do not dilute.

For use in food and beverage processing facilities, this product is restricted to use in inedible product processing areas. Excellent for removing hard water spots, stubborn stains, scuff marks, soap scum, rust, and watercraft fender marks. Use on glass, aluminum, porcelain, chrome, brass, bronze, copper, unpainted vinyl, gel coat fiberglass, tile, and stainless steel (polish with grain of metal).

DANGER: Harmful if swallowed. Causes skin irritation. Causes serious eye damage.

PRECAUTIONARY STATEMENTS: Wash hands, face and any skin contact thoroughly after handling. Wear protective gloves/eye protection/face protection. Do not eat, drink, or smoke while using product. **IF SWALLOWED:** Rinse mouth. Call a poison center/doctor if you feel unwell. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician. Get medical advice/attention if you feel unwell. **IF ON SKIN:** Wash with plenty of soap and water. Take off contaminated clothing and wash it before reuse. If skin irritation occurs: Get medical advice/attention. See First Aid Measures - Section 4 on SDS for more detailed information.
