EOVATIONS™ TECHNOLOGY DECKING

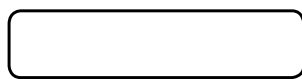

Voyage, Vault and Frontier decking are a giant leap forward in wood-alternative decking. Made with patented Eovations™ technology that delivers the industry's best strength-to-weight ratio and has virtually no thermal expansion or contraction.

- Features a fiber-like structure similar to wood, which has unmatched strength that is nearly 35% lighter than traditional composites and similar in weight to PVC
- Delivers the industry's best strength-to-weight ratio that's powerful and stable, and absorbs virtually no moisture - with a durable polymer cap stock that won't stain or fade
- The only composite decking in the market warranted for installation in or in contact with the ground or water
- Voyage decking features textured embossing for enhanced traction providing 34% or greater surface traction than other leading brands of composite decking**
- Backed by the industry's best warranty: 25-year structural, 25-year stain & fade and 25-year removal & replacement
- Available special order in 16' and 20' solid-edge and 12', 16' and 20' grooved-edge profiles - 12' fascia also available
