assembly instructions

Friendly Tip: Take a deep breath going in. This may be a tricky part, but nothing too overwhelming. Just follow these steps to the T and the outcome will be worth it!

- ⓘ While assembling the product, tighten the bolts up to 50%. Once all parts are in place, only then fully tighten the bolts.

step 1:

Turn the wooden top (A) of the stool upside down.

step 2:

Align the metal legs (C) on the wooden top (A) in such a way that the orange (OS) and green stickers (GS) align with their respective others.

step 3:

Place the bolts large (D) on the highlighted parts as shown in Step 2 and using a allen key (F), tighten them.

step 4:

Insert footrest (B) inside the slots in the metal legs (C) as shown in the image below.

step 5:

Place the bolts small (E) using the image below as reference and tighten them using allen key (F).

Voila! Your barstool is now assembled and secure!
