IMPORTANT SAFETY INSTRUCTIONS:

- Please read through all the instructions carefully and completely before beginning assembly and installation
- This product must be installed in accordance with installation instructions and all safety and building codes. It is strongly suggested that all direct wired fixtures be installed by a licensed electrician
- Be sure the electricity to the wires you are working on is shut off; either the fuse is removed or the circuit breaker is turned off. Turning the power off using the light switch is not sufficient to prevent electrical shock
