

LIMITED LIFETIME RESIDENTIAL WARRANTY

Mohawk is so confident in the design and durability of our laminate, vinyl, and wood flooring accessories that the company backs these products with a Limited Lifetime Residential Warranty. Flooring accessories are limited to trims, moldings, transitions, stair treads, stair noses, stair caps, quarter rounds, and wall bases.

The Limited Lifetime Residential Warranty covers manufacturer defects in material and/or workmanship during the stated warranty period. Mohawk accessories provides detailed information in product literature regarding appropriate applications and installation methods for its laminate, vinyl, and wood flooring accessories. Failure to comply with recommended applications and installation methods voids this warranty.

If a manufacturing defect is found, Mohawk accessories will repair or replace the product, at its option. When replacement of the product is made, only new accessories from the current product range at the time of the complaint resolution will be supplied by the distributor or retailer. There will be no other form of compensation. Responsibility under this warranty applies only to hidden defects not visible before or during the installation of the product. If the product was professionally installed, Performance Accessories will cover reasonable labor costs. Performance Accessories can never be held liable and is not responsible for any secondary damage or consequential damages.

This product warranty only applies to manufacturing defects inherent to the material supplied. This means any material or production defects, acknowledged by the manufacturer. It includes the delamination or reduced resistance of the wear layer.

"Abnormal use or conditions" includes, but is not limited to, water damage from plumbing storm or flood; damage from smoke, fire or other events; damage caused by negligence; improper alterations of the original manufactured product. "Abuse" is any use of the flooring accessory that is unreasonable considering normal and expected uses for a flooring accessory in a residential environment.
