

INNOVATIONS IN ENVIRONMENTAL CONTROLS

AC Infinity is a technology company focused on environmental controls in audio/video, HVAC, and agricultural applications. The products are engineered from the ground up and controllers coded in-house by its team in Los Angeles, California.

The company was founded on the principle of working closely with customers to develop innovative products. Dependable service and an ongoing commitment to product quality are the foundations of the business's values.

PRODUCT WARRANTY

At AC Infinity, we take pride in our products and stand behind them. Our products are covered by a 30-DAY free return policy and TWO YEAR hassle-free warranty. We cover all costs including shipping, for returns, exchanges, and warranty claims.
