Look for Paslode's new high impact boxes

**NEW and IMPROVED!**

# RoundDrive® 30° Paper Tape Nails

**Improved nail performance and more nails per strip**

- New, reinforced full round head design for **better drive performance** in the hardest materials
- 10% more nails per strip means **less reloading**
- Rigid and compact strips are **more durable** and easier to handle

## Product Compatibility

For ultimate performance use with Paslode 30° Framing Nailers
