Warnings

Important -Please read these instructions fully before starting assembly

Check you have all the components and tools listed on the page 2.

Remove all fittings from the plastic bags and separate them into their groups.

Keep children and animals away from the work area, small parts may cause choking if swallowed.

Make sure you have enough space to layout the parts before starting.

Assemble on a soft level surface to avoid damaging the unit or your floor.

Do not stand or put weight on the product, this could cause damage.

Assemble the item as close to its final position (in the same area) as possible.

Do not place furniture directly in front of radiators, fires, or any other source of heat.

The assembly will be easier with 2 people while 1 person could also do the job.

Refer to the LISTING page for specific installation videos.

Cleaning & Maintenance

- Clean the product with a solution of mild soap and water. Dip a soft cloth or sponge into the solution and wipe down the entire surface.
- After cleaning, thoroughly rinse the furniture with water to remove any remaining soap residue.
- When not in use, cover the product with a protective cover to keep it clean and prolong its lifespan.
